"Thank you very much for assisting us with the Physician Recruitment weekend. The added touch you gave to Saturday evening absolutely gave us an element of class. We have talked about this and hope you will be a part of the next weekend we organize. We have your brochure and will be in touch."
Jane Jantzi & Glen Mathers, Chair Health Care Task Force (Kitchener, ON; Mar '99)

"Just a short note to express our appreciation for your part in making our Midland Walwyn evening last week a success. I felt that your music added a special touch to the evening that was enjoyed by all."
Peter Chandler, Vice President, Midland Walwyn Capital Inc. (Kitchener, ON; Dec '92)

"Thank you very much for performing at the Canadian Clay & Glass Gallery's last opening on Sunday 8 January, 1995. We received many very positive comments about your performance and about the choice of music you made. Several people particularly mentioned that they thought the selections were very appropriate to the occasion."
Helena Stone, Education Officer & Volunteer Coordinator (Waterloo, ON; Jan '95)

"Just a short note to tell you what a pleasure it was to work along side the professionals you are. We look forward to many future collaborations. Thank you for your very important role in making those very special moments in Laura and Rodney's day, April 8, 1995. Marylou and Dave Sharpe could not have spoken more highly of your service in both the church and the hotel. Until then next time, we remain"
Cathy & Joan ("Bride's Best Friend"; Guelph, ON; Apr '95)

"Many, many thanks for the tape which I received this week. You will probably never know how much this means to my husband and I and how much pleasure we have received from it now and in the future. I shall write and tell them all in Canada of your kindness, and maybe this will bring its own rewards to you. You certainly deserve it, your music helped to make that wedding one of the most memorable I have ever been to. It was a pleasure to meet you all and this was confirmed by your letter. My good wishes to you all, and once again my grateful thanks. Very sincerely, Jean Wilkinson."
(South Yorkshire, England; Wedding in Elora, ON; Jun '96)

"Just a note to let you know how pleased we were to have you part of Jan Anne and Andrew's wedding day. You certainly added musical beauty to the day. We were delighted to have you with us and would certainly recommend 'Daly Live Music (*Mannheim Virtuosi - String Quartet*)' to others who are looking for music for their weddings, other celebrations and events. You were a delight to listen to and to do business with. Thank you for everything you did for us. You definitely helped us to have a 'day to remember!' With thanks and kindest regards"
Marilyn Sararus (New Dundee, ON; Aug '99)

"I would like to thank you for introducing your musical services to me. In this age of "canned" music, it is refreshing to see someone provide a live personal service.....you also have a wide range of tastes to suit everyone. I will be keeping your information on file for future reference."
Mike Cooper, MPP Kitchener-Wilmot. (Kitchener, ON; Feb '95)

"How do I begin to describe the feelings all of us experienced when you two (Mannheim Virtuosi - Violin & Viola Duo) played at our mother's committal service? There was such haunting beauty and sensitivity in your interpretation! Because of you, the service was not just ordinary, it was made memorable! Thank you so much."
Bruni Doering (Waterloo, ON; May '95)
